

Baby wept in pain for 82 years

The church of god member's In Cambridge Maryland  
Blames the baby and her mother  
Causing the Baby to gives up  
As the seed of fear grows in her soul

You say you would not give up  
Because you are not along  
Are you sure?

You are six years old and your church of god preacher  
Holds you down while doing immoral to you  
Then everyone blames you and your mother  
For causing a holy man to sin

Would you keep holding on?  
Would you make it through?  
Would you stay strong?  
Would you keep blooming?  
You said it would not and did not  
Happen to your mother are to your baby  
Are you sure?

It is too late for My Grandmother and My Mother  
I pray that it is not too late for you and your baby
